

Covid-19 Safety

Cretan Minoan Apartments complies with all Covid-19 health prevention protocols.

Specifically, each apartment has a hand sanitizer as well as space cleaners and disinfectants. Also, before each arrival, every room of the apartments is disinfected.

Notice that the accommodations are independent residences that do not communicate with each other, without common areas and this way, we avoid the spread of the virus.

Stay safe, and we will be happy to see you!
